**SECOND AMENDED AND RESTATED GENERAL DECLARATION
FOR TIMBERS ESTATES**

THIS SECOND AMENDED AND RESTATED GENERAL DECLARATION FOR TIMBERS ESTATES (the “**Declaration**”) is made and entered into on as this _____ day of _____, 20 ____.

RECITALS

A. That certain Amended and Restated General Declaration for Timbers Estates, Jefferson County, Colorado was recorded in the real property records of the County of Jefferson, State of Colorado, on May 6, 2005, at Reception Number 2005015110 (the “**Original Declaration**”).

B. Article XVI, Section 16.03(a) of the Original Declaration provides for and allows this Declaration as follows:

Except for provisions of this Declaration regarding the rights and obligations of the Owners, which may not be amended without Owner’s prior written consent, as appropriate, as subject to the right of Mortgages under Article XIV above, Owners may amend any provision of this Declaration at any time by a vote of at least seventy-five percent of the votes allocated to all Lots. If the necessary votes and consent are obtained, the Association shall cause to be recorded in the Jefferson County records an amendment to the Declaration in accordance with the terms and conditions of the Act. . .

C. Notwithstanding the above, the Colorado Common Interest Ownership Act, at § 38-33.3-2017(1)(a)(I), C.R.S., provides that a declaration may be amended only by the affirmative vote or agreement of unit owners of units to which more than fifty percent (50%) of the votes in the association are allocated or any larger percentage, not to exceed sixty-seven percent (67%), that the declaration specifies.

D. This Declaration has been prepared and determined by the Association and by the Owners that have approved this Declaration to be reasonable and not burdensome.

E. The purposes of this Declaration are to remove unreasonable restrictions on the Community, remove provisions that do not allow the Board to efficiently operate the Community or deal with Community concerns, remove or revise provisions that do not comply with current state law, add provisions that provide proper tools for the Association to effectively solve problems, and add provisions that reflect beneficial state law provisions.

F. The undersigned, being the President and the Secretary of the Association, certify that this Declaration has been approved by Owners of Lots to which at least sixty-seven (67%) of the votes in the Association are allocated, at a meeting duly called for such purpose, or via written ballot in lieu of a meeting in accordance with Colorado law.

G. The Original Declaration is hereby amended and replaced in its entirety by this Declaration.

[This section has been added.]

ARTICLE 3. THE ASSOCIATION, MEMBERSHIP AND VOTING RIGHTS

Section 3.1 General Purposes and Powers of the Association. The Association has been formed to perform functions and manage the Property as provided in this Declaration to protect the value and desirability of the Property and the Lots, to further the interests of the residents, occupants, tenants and guests of the Property and Members of the Association, and to promote a harmonious community and responsible leadership. The Association shall be governed by CCIOA, the Colorado Revised Nonprofit Corporation Act, this Declaration, the Plat, the Articles of Incorporation, the Bylaws, and any Rules and Regulations adopted by the Board of Directors. All corporate or other powers of the Association, unless otherwise specified or expressly reserved to the Members in the Governing Documents or by Colorado law, shall be exercised by or under the authority of the Board of Directors, and the business and affairs of the Association shall be managed under the direction of the Board of Directors. The Board of Directors may, by written resolution, delegate authority to a manager or managing agent for the Association, provided no such delegation shall relieve the Board of final responsibility. The Association may exercise any right or privilege and shall perform all duties and obligations expressly granted or reasonably necessary or implied in the Governing Documents to affect such right or privilege or to satisfy such duty or obligation.

[This section has been added.]

Section 3.3 Membership. Every Person who is an Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for such membership. When more than one person holds an interest in any Lot, all such persons shall be Members.

[This section has been added.]

Section 3.4 Allocated Interests. The Common Expense Liability and votes in the Association allocated to each Lot are set as follows:

(a) Unless otherwise provided in this Declaration, the Common Expense Liability allocated to each Lot shall be a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in the Property.

(b) The number of votes in the Association shall be allocated equally among the Lots with each Lot being allocated one (1) vote.

[This section carries forward the voting allocation of one vote per Lot as set forth in Article IV, Section 4.01(a) of your existing Declaration. It also carries forward the allocation of common expenses contained in Article VI, Section 6.02 of your existing Declaration.]

Section 3.5 Managing Agent. The Association may employ or contract for the services of a managing agent to whom the Board may delegate certain powers, functions, or duties of the Association, as provided in the Bylaws of the Association. The agreement shall be by written contract having a term of no more than three (3) years and shall be subject to cancellation by the Association on thirty (30) days' notice, with or without cause, and without a cancellation fee. The Board shall not be liable for any omission or improper exercise by a managing agent of any duty, power, or function so delegated by written instrument executed by or on behalf of the Board.

they are an officer, director, committee member or volunteer at the time such expenses are incurred; except in such cases wherein such officer, director, committee member or volunteer is adjudged guilty of breaching his or her duties.

[This section has been added to expressly provide indemnification protection for Board members, officers and volunteers, as provided for by the Colorado Revised Nonprofit Corporation Act.]

Section 3.8 Authority of the Board of Directors. The affairs of the Association shall be managed by a Board of Directors, to be elected or appointed as set forth in the Bylaws. Except as otherwise provided in the Governing Documents or by Colorado law, the Board of Directors may act in all instances on behalf of the Association.

[This section is similar to Article V, Section 5.02(a) of your existing Declaration.]

ARTICLE 5. COVENANT FOR COMMON EXPENSE ASSESSMENTS

Section 5.1 Creation of Lien and Personal Obligation to Pay Assessments. Each Owner, by acceptance of a deed for a Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Common Expense Assessments, and such other Assessments as imposed by the Association.

(a) Such Assessments, including but not limited to fees, charges, late fees, attorney fees, fines and interest charged by the Association and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited to credit card convenience fees from whatever source, shall be the personal obligation of the Owner of such Lot at the time when the Assessment or other charges became or fell due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of any Assessment by waiver of the use or enjoyment of the Common Area, if any, or by abandonment of the Lot against which the Assessment is made.

(b) The Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited to credit card convenience fees from whatever source, shall be a charge on the respective Lot generating such charges and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due.

(c) All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof, except as provided in this Declaration, shall be permitted by any reason including, without limitation, any claim that the Association is not properly exercising its duties and powers under this Declaration. Except as provided in this Declaration, all Assessments shall be assessed against all Lots based on the Common Expense Liability allocated to each Lot, as set forth in this Declaration.

[This section is similar to and combines portions of Article VI, Sections 6.01 and 6.07 of your existing Declaration.]

Section 5.2 Basis of Assessments. The Common Expense Assessment may be made on an annual basis against all Lots and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Assessment year. Unless otherwise provided in this Declaration, Common Expenses shall be apportioned among the Lots in accordance with the Common Expense Liability allocated to each Lot as set forth in this Declaration.

[This section has been added.]

Section 5.3 Annual Assessment. The budget for annual Common Expense Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of CCIOA and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by votes of Owners representing a majority of the total Association vote. Common Expense Assessments shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Common Expense Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

[This section revises Article VI, Sections 6.04 and 6.11 of your existing Declaration in relation to budget/assessment approval. Rather than requiring the affirmative approval of 2/3 of the owners to impose an assessment, fine, or charge, this provision provides for a majority of owners to veto a budget/assessment.]

Section 5.4 Special Assessments. In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund. The proposed Special Assessment shall be submitted to the Owners for ratification pursuant to Section 303(4) of CCIOA and as set forth in the Bylaws, as the Bylaws may be amended from time to time. A proposed Special Assessment will be ratified unless Owners representing more than a majority of the total votes in the Association vote, either in person or by proxy, to reject the Special Assessment at a meeting called for such purpose. Special Assessments may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. The Board shall have the right to require that Special Assessments be paid in advance of the subject services or materials.

[Your existing Declaration does not address special assessments. This section has been added. Note that provisions regarding Default Assessments (essentially fines) in your existing Declaration have been removed. Rather, fines may be imposed, per CCIOA, after providing owners with notice and the opportunity for a hearing.]

Section 5.5 Application of Payments. All payments received on an account of any Owner or the Owner's Lot shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents, prior to application of the payment to any Assessments due or to become due with respect to such Owner.

[This section has been added.]

Section 5.6 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within fifteen (15) days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors, on a per annum basis to accrue monthly, from the due date, and the Association may assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within sixty (60) days of the due date thereof shall cause the total amount of such Owner's annual Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Owner's annual Common Expense Assessment.

(c) Further, the Association may foreclose its lien and/or bring an action at law or in equity, or all of the same, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving, the Association's lien therefor. Likewise, the obtaining of a money judgment shall not preclude the foreclosure of the Association's lien so long as the judgment remains unsatisfied.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Lot at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner

abandons or leaves vacant his or her Lot, the Board may take possession and rent said Lot or apply for the appointment of a receiver for the Lot without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under CCIOA.

[This section has been added.]

Section 5.7 Lien Priority. The lien of the Association under this Article is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Lot (except as allowed by CCIOA with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. The acceptance of a deed to a Lot subject to this Declaration shall constitute a waiver of the homestead exemption as against said Assessment lien. Sale or transfer of any Lot shall not affect the lien for said Assessments or charges except that sale or transfer of any Lot pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Lot Owner from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

[This section is similar to Article VI, Section 6.07 of your existing Declaration.]

Section 5.8 Surplus Funds. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and prepayment of or provision for reserves shall be retained by the Association as reserves or in such other funds as the Board of Directors may direct and need not be paid to the Owners or credited to them to reduce future Assessments.

[This section has been added.]

ARTICLE 6. ARCHITECTURAL REVIEW

Section 6.1 Composition of the Design Review Board and Appointment. The Design Review Board will consist of three (3) or more natural persons or a separate entity (such as an architectural firm) appointed by the Board of Directors; provided, however, that until all of the Lots That May Be Included have been conveyed to the first Owner thereof other than the Declarant, the Declarant may appoint the Design Review Board. If no Design Review Board is appointed, the Board of Directors shall act as the Design Review Board. The power to “appoint” the Design Review Board, as provided herein, shall include without limitation the power to: constitute the initial membership of the Design Review Board; appoint members to the Design Review Board on the occurrence of a vacancy therein, for whatever reason; and remove any member of the Design Review Board, with or without cause, at any time, and appoint the

successor thereof. Each such appointment may be made for such term of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the Board of Directors.

Section 6.2 Architectural Review Requirements; Authority of the Design Review Board.

(a) No Improvement may be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Lot, unless the Improvement is in full compliance with all provisions of the Governing Documents. Prior to constructing, erecting, placing, altering, planting, applying, installing or modifying an Improvement upon any Lot, the Owner of the Lot must submit plans and specifications for the proposed Improvement to the Design Review Board for review and consideration, and then receive approval in writing from the Design Review Board, all in accordance with the Design Guidelines.

(b) The Design Review Board shall endeavor to exercise its reasonable judgment in an attempt to provide for each proposed Improvement to generally harmonize with the existing surroundings, residences, landscaping and structures.

(c) In its review of such plans, specifications and other materials and information, the Design Review Board may require that the applicant pay an architectural review fee and/or reimburse the Design Review Board for the actual expenses incurred by the Design Review Board in the review and approval process. Such amounts, if any, shall be collectible by the Association in the same manner as Assessments.

Section 6.3 Design Guidelines. The Design Review Board may propose Design Guidelines or revisions or amendments thereto, which may be approved by the Board of Directors, at any time and from time to time. Without limiting the generality of the foregoing, any such Design Guidelines may contain guidelines to clarify the types of designs and materials that may be considered in design approval, may state requirements for submissions in order to obtain review by the Design Review Board, may state procedural requirements, or may specify acceptable Improvements that may be installed without prior approval of the Design Review Board.

Section 6.4 Procedures. The Design Review Board will review and approve in writing (which may be with conditions and/or requirements), or disapprove, each request for architectural approval within forty-five (45) days after the complete submission to the Design Review Board of the plans and specifications and other materials and information which the Design Review Board may require in conjunction therewith in accordance with the design review procedures set forth in the Design Guidelines. If the Design Review Board fails to review and approve in writing (which may be with conditions and/or requirements), or disapprove, a request for architectural approval within forty-five (45) days after the complete submission of the plans and specifications and other information requested with respect thereto, such request is deemed approved by the Design Review Board.

Section 6.5 Vote and Appeal. If the Board of Directors is not acting as the Design Review Board, an Owner whose plans have been disapproved or conditionally approved by the Design Review Board may appeal any such decision of the Design Review Board to the Board of Directors by submitting a written appeal to the Board of Directors within thirty (30) days of the date of the Design Review Board’s disapproval or conditional approval. The Board of Directors shall review the decision of the Design Review Board pursuant to the criteria set forth in this Declaration and the Design Guidelines. Any decision of the Design Review Board may be overruled and reversed on appeal by a majority of the Board of Directors by a written decision setting forth the reasons for the reversal when the Board of Directors concludes that the Design Review Board’s decision was inconsistent with the criteria set forth in this Declaration and/or the Design Guidelines.

Section 6.6 Commencement and Completion of Construction. All improvements approved by the Design Review Board must be commenced within six (6) months from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Design Review Board, unless the Design Review Board gives a written extension for commencing the work. Additionally, except with written Design Review Board approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Design Review Board shall be completed within twelve (12) months of commencement.

Section 6.7 Inspection of Work. The Design Review Board and the Board of Directors have the right to inspect any Improvement at any time, including prior to or after completion, to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article.

Section 6.8 Variances. The Design Review Board may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration or the Design Guidelines in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in the Design Guidelines.

Section 6.9 Waivers. The approval or consent of the Design Review Board to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Design Review Board as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 6.10 Liability. Neither the Declarant, the Association, the Board of Directors, the Design Review Board, nor any agent, representative, affiliate, designee, consultant or contractor of any the same (collectively, the “**Released Parties**”) are liable or shall be liable to any Person by reason of any action, including but not limited to failure to act, approval (which may be with conditions and/or requirements), disapproval, or failure to approve or disapprove, in regard to any matter whether for damage or in equity. In reviewing or approving any matter, the Released Parties are not responsible for any issue related to the Improvements, whether structural or otherwise, and whether submitted for review or otherwise. The Released Parties are not

responsible for any matter related to safety. The Released Parties are not responsible for the conformance of Improvements with applicable law or compliance with any other standard or regulation, and any approval (which may be with conditions and/or requirements) of any Improvement by the Design Review Board will not be deemed an approval of any such matters, will not be deemed to represent that the Improvement conforms to applicable law or complies with any other standards or regulations, and will not constitute a warranty by the Released Parties to any applicant of the adequacy of design, workmanship or quality of such work or materials for any applicants' intended use. The Released Parties shall not be held liable for matters related to their decisions including, but not limited to soil conditions, ground water, drainage, or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the action, inaction, integrity, financial condition or quality of work of any contractor or its subcontractors, employees or agents, whether or not any of the Released Parties have approved or featured such contractor as a builder in the Property; or any injury, damages, or loss arising out of the manner or quality or other circumstances of approved construction on or modifications to any Lot. In all matters, the Released Parties shall be defended and indemnified by the Association as provided in Section 3.7 of this Declaration. The Design Review Board will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to property with respect to architectural requests and shall not be liable for any disputes relating to the same. No Person is a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by, the Released Parties. Each Owner (i) waives and releases the Released Parties from all claims related to approval or disapproval of any Improvements and (ii) waives and releases all claims against the Released Parties. The foregoing release and waiver are made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The Released Parties shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The Released Parties have no personal liability with respect to any contract or other commitment made or action taken on behalf of the Released Parties.

[This section expands Article VIII of your existing Declaration to clarify the role and authority of the Design Review Board.]

ARTICLE 7. MAINTENANCE AND SERVICE RESPONSIBILITIES

Section 7.1 Association Maintenance and Service Responsibilities.

(a) The Board of Directors of the Association shall determine the specifications, scope, extent, nature and parameters of the Association's maintenance and service responsibilities. The Association shall maintain, repair, replace, and keep in good repair in a workmanlike manner as a Common Expense the Common Area, if any, and all Improvements thereon.

(b) Liability of Association.

(i) The Association shall not be liable to the Owner of any Lot or such Owner's tenant, guest, family member, or invitee for loss or damage, by theft or otherwise, of any property of an Owner or such Owner's tenant, guest, family member, or invitee which may be stored in or upon any of the Common Area, if any.

(ii) The Association shall not be liable to any Owner, or any Owner's tenant, guest or family for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Section where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities.

(iii) No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

[This section has been added to specifically set forth the responsibilities of the Association in relation to maintenance of the Common Area.]

Section 7.2 Owner's Maintenance Responsibility.

(a) Each Owner shall have the obligation to maintain, repair and replace all portions of the Owner's Lot and all Improvements thereon.

(b) Each Owner shall have the responsibility to:

(i) Perform his or her maintenance responsibility in such manner so as not to unreasonably disturb persons on other Lots;

(ii) Promptly report to the Association or its agent any defect or need for repairs for which the Association is responsible; and

(iii) Pay for the cost of repairing, replacing or cleaning up any item which is the responsibility of the Owner but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do), or to pay for the cost of repairing, replacing or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants, guests or invitees, with the cost thereof to be added to and become part of the Owner's next chargeable Assessment as an Individual Purpose Assessment.

[This section expands upon Article VII, Section 7.01(a) of your existing Declaration.]

Section 7.3 Inspection, Repair and Replacement of Designated Owner Maintenance Components. If the Association, either through inspection or otherwise, determines that any Owner has failed or refused to discharge properly his or her obligation with regard to the maintenance of his or her Lot and/or the Improvements thereon, then the Association may give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Association.

The Owner shall have ten (10) days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days. If an Owner has not complied with the demand given by the Association as provided in this Section, the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be added to and become a part of the Assessment to which such Owner is subject as an Individual Purpose Assessment, shall become a lien against the Lot, and shall be collected as provided in this Declaration for the collection of Assessments.

[This section is similar to, but also expands, Article VII, Section 7.01(b) of your existing Declaration.]

Section 7.4 Owner's Negligence. If the Board determines that the need for maintenance or repair of any portion of the Common Area, if any, any Lot or otherwise is a Common Expense and is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, then the Association may assess the cost of any such maintenance, repair, or replacement against the Owner's Lot as an Individual Purpose Assessment, which shall become a lien against the Lot, and shall be collected as provided in this Declaration for the collection of Assessments.

[This section has been added.]

ARTICLE 8. INSURANCE

Section 8.1 Insurance to be Carried by the Association. The Association shall obtain and maintain in full force and effect to the extent reasonably available, and at all times, the insurance coverage set forth in this Declaration, which insurance coverage shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado. All insurance purchased by the Association shall be purchased from companies with ratings of "A" or better, to the extent that insurance is available at reasonable cost to the Association through such companies.

Section 8.2 Real Property Insurance on the Common Area.

(a) The Association shall obtain insurance providing all risk coverage or the nearest equivalent available for the full replacement cost, without deduction for depreciation, for all insurable improvements located on the Common Area, if any, as more fully provided herein, and the other property of the Association.

(b) All policies shall contain a standard non-contributory mortgage clause in favor of each first mortgagee, and their successors and assigns, which shall provide that the loss, if any, thereunder shall be payable to the Association for the use and benefit of such first mortgagee, and their successors and assigns, as their interests may appear of record in the records of the office of the Clerk and Recorder of Jefferson County, Colorado.

(c) The Association may also obtain any additional endorsements which it deems advisable and in the best interests of the Property by the Board of Directors.

(d) The insurance described in this Section shall be inflation coverage insurance, if such insurance is available, which shall at all times represent one hundred percent (100%) of the replacement value of all Improvements in the Common Area, if any, except land, foundation, excavation and other items normally excluded from coverage and except for any deductible provisions as permitted under this Article.

(e) The Association's insurance policy may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance equals at least the replacement cost of the insured property.

Section 8.3 Association Flood Insurance. The Association shall obtain flood insurance to the extent required by the Federal Emergency Management Agency (FEMA) or any other governmental agency.

Section 8.4 Liability Insurance. The Association shall obtain a comprehensive policy of public liability and property damage liability insurance covering the Common Area, if any, in such limits as the Board may from time to time determine, but not in any amount less than a combined single limit of \$1,000,000.00, and in all cases covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other uses of the Common Area, if any. The foregoing liability insurance shall name the Association as the insured.

Section 8.5 Fidelity Insurance. The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees, volunteers and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The fidelity insurance shall be in an amount at least covering the Association's reserves plus two months' worth of Common Expense Assessments.

Section 8.6 Workers Compensation. The Association shall obtain and maintain workers' compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in forms now or hereafter required by law.

Section 8.7 Director and Officer Liability Insurance. The Association shall purchase directors' and officers' insurance in an amount reasonably necessary to protect the directors and officers of the Association. Such insurance should include coverage for claims brought seeking both monetary and/or non-monetary damages.

Section 8.8 Other Insurance. The Association may obtain insurance against such other risks, of similar or dissimilar nature, as it shall deem appropriate with respect to the Association's responsibilities and duties.

Section 8.9 Miscellaneous Terms Governing Insurance Carried by the Association. The Association shall maintain, to the extent reasonably available and necessary, policies with the following terms or provisions:

(a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.

(b) All policies of insurance shall contain waivers of subrogation against any Owner or member of his or her household.

(c) All policies of insurance shall contain waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without at least thirty (30) days prior written notice to all of the Owners, holders of first mortgages on any of the Lots who request such notification, and the Association.

(d) If requested, certificates of insurance and renewals thereof, together with proof of payments of premiums, shall be delivered to holders of first mortgages on the Lots at least ten (10) days prior to expiration of the then current policies.

(e) All liability insurance shall be carried in blanket form naming the Association, the board, the manager or managing agent, if any, and the officers of the Association as insureds.

(f) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of an Owner.

(g) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner, only in respect to the interest of any particular Owner guilty of a breach of warranty, act, omission, negligence or non-compliance of any provision of such

policy, including payment of the insurance premium applicable to the Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy, but the insurance under any such policy, as to the interests of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

Section 8.10 Insurance Obtained by Owners. Each Owner shall be responsible for maintaining insurance which covers his Lot and all Improvements thereon. Such insurance shall include, but may not be limited to, furnishings and personal or other property in the home on the Lot and liability insurance for injury, death or damage in or upon the Lot. Any such policy shall contain waivers of subrogation and shall be so written that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished thereby.

Section 8.11 Insurance Premium. Insurance premiums for insurance carried by the Association shall be a Common Expense to be included as a part of the annual Common Expense Assessments levied by the Association.

Section 8.12 Managing Agent Insurance. The manager or managing agent, if any, shall be insured for the benefit of the Association, and shall maintain and submit evidence of such coverage to the Association, including professional liability or errors and omissions insurance, workers' compensation, unemployment and fidelity coverage.

Section 8.13 Waiver of Claims Against Association. As to all policies of insurance maintained by or for the benefit of the Association and Owners, the Association and the Owners hereby waive and release all claims against one another and the Board of Directors, to the extent of the insurance proceeds available, whether or not the insurance damage or injury is caused by the negligence of or breach of any agreement by these Persons.

Section 8.14 Adjustments by the Association. Any loss covered by an insurance policy carried by the Association shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association, and not to any holder of a mortgage on any Lot. The Association shall hold any insurance proceeds in trust for the Association, Owners and such mortgagees as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association, Owners and mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored. If the insurance proceeds are insufficient to cover the cost of repair or reconstruction, the Association may levy a Special Assessment to cover the short fall (or deductible) as more fully provided in Section 8.18 of this Declaration.

Section 8.15 Duty to Repair. Any portion of the Common Area, if any, for which insurance is required to be carried by the Association under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association.

Section 8.16 Condemnation and Casualty Insurance Allocations and Distributions. In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be to the parties as their interests and rights are determined or allocated by record or as set forth in CCIOA.

Section 8.17 Responsibility for Payment of Deductible Amount. Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the Association shall pay or absorb the deductible amount (or the amount of the loss if such amount is less than the deductible) for damage to Common Area, if any, unless the damage is the liability of an Owner, his family, guests, tenants, or invitees, as set forth in this Declaration, in which case the Association shall seek reimbursement of the deductible amount (or the amount of the loss if such amount is less than the deductible) as an Individual Purpose Assessment in compliance with and under the terms of this Declaration.

Section 8.18 Insurance Assessments. If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. Notwithstanding the budget ratification procedure set forth in this Declaration, the insurance Assessment shall be ratified unless vetoed by Members holding at least sixty-seven percent (67%) of the total votes entitled to be cast in the Association pursuant to Section 303(4) of CCIOA and as set forth in the Bylaws, as the Bylaws may be amended from time to time.

Section 8.19 Association as Attorney-in-Fact. Each Owner hereby irrevocably appoints the Association as the Owner's true and lawful attorney-in-fact for the purposes of dealing with any improvements covered by insurance written in the name of the Association pursuant to this Article upon their damage or destruction as provided in this Declaration, or a complete or partial taking or condemnation as provided in this Declaration. Acceptance by a grantee of a deed or other instrument of conveyance conveying any portion of the Property shall constitute appointment of the Association as the grantee's attorney-in-fact, and the Association shall have full authorization, right, and power to make, execute, and deliver any contract, assignment, deed, waiver, or other instrument with respect to the interest of any Owner which may be necessary to exercise the powers granted to the Association as attorney-in-fact. Furthermore, if so requested, an Owner shall execute a separate instrument specifically setting forth this appointment.

[This section expands Article XI of your existing Declaration.]

ARTICLE 9. USE RESTRICTIONS

Section 9.1 Flexible Application of the Covenants and Restrictions. All Lots within the Property shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be

unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

[This section has been added.]

Section 9.2 Authority. All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to a Lot, acknowledge that they have been given notice, and that:

- (a) The ability of Owners to use their Lots may be limited by the provisions in the Governing Documents.
- (b) The Board may, from time to time, adopt and amend definitions of words, phrases and terms used in this Declaration and other Governing Documents.
- (c) The Board may establish penalties for the infraction of all regulations and Owners will be responsible for fines assessed against their tenants, guests and invitees for violations of the restrictions.
- (d) All fines imposed are collectable as Assessments.

[This section has been added.]

Section 9.3 Use/Occupancy. All Lots within the Property shall be used for residential use only, including uses which are customarily incident thereto, and shall not be used at any time for business, commercial or professional purposes. Notwithstanding the foregoing, Lots may be used for business activities provided that the following are satisfied:

- (a) The business conducted is clearly secondary to the residential use of the home and is conducted entirely within the home;
- (b) The existence or operation of the business is not detectable from outside of the home by sight, sound, smell or otherwise, or by the existence of signs indicating that a business is being conducted;
- (c) The business does not result in an undue volume of traffic or parking within the Property, which determination may be made by the Board of Directors in its sole discretion from time to time;
- (d) The business conforms to all zoning requirements and is lawful in nature;
and
- (e) The business conforms to any Rules and Regulations that may be imposed by the Association from time to time on a uniform basis to protect the peace, tranquility and quality of the Property.

[This section expands on Article IX, Section 9.04(b) of your existing Declaration.]

Section 9.4 Leasing and Occupancy. Any Owner shall have the right to lease or allow occupancy of a Lot upon such terms and conditions as the Owner may deem advisable, subject to restrictions of this Declaration, subject to restrictions of record, and subject to the following:

(a) **"Leasing"** or **"Renting"** for the purposes of this Declaration, is defined as regular, exclusive occupancy of a Lot by any person other than the Owner, provided, however, for the purposes of this Declaration, leasing shall not include the occupancy of the Lot by the child or parent of an Owner. For the purposes of this Declaration, occupancy by a roommate of an Owner who occupies the Lot as such Owner's primary residence shall not constitute leasing.

(b) All leases or rental agreements shall be in writing and shall provide that the leases or rental agreements are subject to all terms of the Governing Documents. Owners are required to provide tenants with copies of the current Declaration, Articles of Incorporation, Bylaws and any Rules and Regulations of the Association.

(c) Each Owner who leases his or her Lot shall provide the Association, upon request, a copy of the current lease and tenant information, including the names of all occupants, vehicle descriptions, including license plate numbers, and any other information reasonably requested by the Association or its agents.

(d) Each Owner is strongly encouraged to conduct full background checks, including credit and criminal reports, for each lease applicant.

(e) All occupancies, leases and rental agreements of Lots shall state that the failure of the tenant, lessee, renter or their guests to comply with the terms of the Governing Documents shall constitute a default of the occupancy, lease or rental agreement and of this Declaration and such default shall be enforceable by either the Association or the landlord, or by both of them.

(f) Leases shall be for or of the entire Lot.

(g) All Owners who reside at a place other than the Lot shall provide to the Association an address and phone number(s) where the Owner can be reached in the case of emergency or other Association business. It is the sole responsibility of the Owner to keep this information current.

(h) The Association shall have the authority to adopt Rules and Regulations regarding leasing, including the implementation of this restriction, and for implementation of other restrictions in the Declaration and as allowed by law.

[This section expands Article IX, section 9.20 of your existing Declaration.]

Section 9.5 Restrictions on Pets.

(a) No animals, livestock, birds, poultry, reptiles or insects of any kind shall be raised, bred, kept or boarded in or on the Lots; provided, however, that a reasonable number of dogs, cats, or other domestic animals which are bona fide household pets may be kept on a Lot (and not more than three (3) such pets, which restriction shall not apply to fish, birds, and other household pets which are kept confined to a cage or tank contained within an enclosed structure at all times), so long as such pets are not kept for any commercial purpose and are not kept in such number or in such manner as to create a nuisance to any resident of the Property. When on the Common Area, if any, pets must be on a leash and under control. Feces left by pets upon the Common Area, if any, must be removed promptly by the owner of the pet or the person responsible for the pet. Additionally, the Association shall have, and is hereby given, the right and authority to: set a size or poundage limit on pets; regulate the type(s) of pets that are permitted to be kept; determine in its sole discretion that any dog(s), cat(s), or other household pet(s) are being kept for commercial purposes or are being kept in such number or in such manner as to be unreasonable or to create a nuisance; or determine that an Owner is otherwise in violation of the provisions of this Section. In any of the foregoing instances, the Association may take such action or actions as it deems appropriate to correct the same, including the right to require removal of the pet from the Property. The right to keep household pets shall be coupled with the responsibility to pay for any damage caused by such pets, as well as any costs incurred by the Association as a result of such pets.

(b) No agricultural animals such as ducks, chickens, goats, sheep and horses shall be permitted except as provided below.

(i) Lot 15 as shown on the Plat shall not be bound by any provisions of this Declaration regarding the keeping, maintaining, raising, and riding of horses on Lot 15, the foregoing of which shall be specifically permitted on Lot 15 (together with the right to ride or walk horses on the roads to the public way) as a use by right. Horses may be restricted on Lot 15 as determined by the then record Owner of Lot 15 pursuant to a written document recorded with the Clerk and Recorder of Jefferson County, Colorado which amends, modifies or revokes this reservation with regard to horse in the sole and absolute discretion of the Owner of Lot 15.

(ii) Lots 3, 7, 8, 10, 15, 19, and 20, as shown on the Plat shall not be bound by the provisions of this Declaration regarding the keeping, maintaining, raising, and riding of horses (together with the right to ride or walk horses on the roads to the public way), which shall be specifically be permitted as a use by right as follows: Lots 19 and 20 shall be considered horse lots only if they have a common Owner. restricted on any of Lots 3, 7, 19, and 20 as determined by the then record Owner of such Lot pursuant to a written document recorded with the Clerk and Recorder of Jefferson County, Colorado which amends, modifies or revokes this reservation with regard to horses in the sole and absolute discretion of such Owner.

[This section of the Declaration is similar to Article IX, Section 9.10 of your existing Declaration.]

Section 9.6 Antennae. "Permitted Antennas" are defined as (a) an antenna which is one (1) meter or less in diameter and is designed to receive direct broadcast satellite service, including direct-to-home satellite service, or to receive or transmit fixed wireless signals via satellite; (b) an antenna which is one (1) meter or less in diameter or diagonal measurement and is designed to receive video programming services via broadband radio service (wireless cable) or to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive local television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt Design Guidelines regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station or similar device of any type shall be erected, installed or maintained on a Lot.

[This section has been added in relation to the FCC regulations regarding satellite dishes.]

Section 9.7 Well and Septic Tanks. No wells or septic tanks shall be permitted on any Lot without the prior written approval of the Design Review Board. Wells and septic tanks shall be installed pursuant to all applicable laws and regulations.

[This section is the same as Article IX, Section 9.16 of your existing Declaration.]

No nuisance shall be permitted within the Property, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Lot or any Common Area, or any portion of the Property by residents.

[This section is similar to Article IX, Section 9.06 of your existing Declaration.]

Section 9.9 Vehicular Parking, Storage, and Repairs.

(a) Except for parking on the public streets, which shall be controlled and enforced by Jefferson County, Colorado, all parking within the Property and upon any Common Area shall be regulated by the Association.

(b) The following may not be parked or stored on a Lot within the Property, unless such parking or storage is within a garage on a Lot, or unless authorized in writing by the Association or as otherwise exempted by Colorado law: oversized vehicles, commercial vehicles, vehicles with commercial writing on their exteriors, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, or other oversized types of vehicles or equipment as prohibited by Rules and Regulations. The foregoing may be parked as a temporary expedience for loading or delivery of goods or services. Overnight parking of the foregoing is prohibited. This restriction shall not apply to vehicles temporarily located within the Property which are necessary for construction or for the maintenance of any Common Area, Lots, or any improvement located thereon.

(c) No abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked on a Lot within the Property unless parked or stored within a garage. An "abandoned or inoperable vehicle" shall be defined by Colorado statutes governing inoperable, unlicensed or abandoned vehicles on public streets, or as defined by Rules and Regulations adopted by the Association.

(d) No motor vehicle may impede the safe and efficient use of streets, driveways or alleys within the Property by residents, obstruct emergency access to and/or from the Property, or interfere with the reasonable needs of other residents to use their driveway, streets, or guest parking within the Property.

(e) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat may be performed or conducted outside of garages in the Property. Notwithstanding, minor repairs may be performed outside of a garage on a Lot, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands. This provision shall not be deemed to prevent washing and polishing of a vehicle, together with those activities normally incident and necessary to such washing and polishing, provided washing is done with a hose with a shut off valve to prevent waste of water.

(f) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) shall not be permitted.

(g) If any vehicle is parked on any portion of the Property in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after seventy-two (72) hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A sign shall also be conspicuously placed at the Property stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If seventy-two (72) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

(h) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or occupant's Lot, is obstructing the flow of traffic, is parked on any grassy area, is parked in a space which has been assigned as exclusively serving another Lot, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

(i) If a vehicle is towed or booted in accordance with this Section, neither the Association nor any officer or agent of the Association shall be liable to any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

[This section revises Article IX, Sections 9.12 and 9.13 of your existing Declaration, but can be revised as desired.]

Section 9.10 Use of Common Area. There shall be no obstruction of the Common Area, if any, nor shall anything be kept or stored on any part of the Common Area, if any, without the prior written approval of the Board of Directors. Nothing shall be altered on, constructed in, or removed from any Common Area without the prior written approval of the Board of Directors.

[This section has been added.]

Section 9.11 No Annoying Lights, Sounds or Odors. No light shall be emitted from any portion of the Property which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Property which would reasonably be found by others to be noxious or offensive. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Property except with the prior written approval of the Design Review Board.

[This section is similar to Article IX, Section 9.09 of the existing Declaration.]

Section 9.12 No Hazardous Activities. No activity shall be conducted on and no Improvement shall be constructed on any Property within the Property which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Property within the Property. No open fires shall be lighted or permitted on any Property within the Property except in a contained barbeque unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent dispersal of burning embers unless otherwise prohibited by governmental ordinances. No Owner shall permit any condition on his Lot which creates a fire hazard or is in violation of applicable fire prevention regulations.

[This section is similar to Article IX, Section 9.07 of your existing Declaration.]

Section 9.13 Restrictions on Signs and Advertising Devices. Signs may be displayed in accordance with the Design Guidelines. Notwithstanding, one (1) professionally lettered "For Sale" or "For Rent" sign not to exceed three (3) feet by two (2) feet and one (1) professionally lettered security or alarm system sign not exceeding six (6) inches by six (6) inches may be displayed on a Lot.

[New legislation places restrictions on the authority of an association to regulate the display of signs on Lots. This section allows for restrictions to be placed in the Design Guidelines.]

Section 9.14 Trash Removal Restriction. No garbage, refuse, rubbish, or cuttings shall be deposited on any street or road, or on any portion of the Common Area, if any, or on any Lot, unless placed in a suitable container and suitably located. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner. If trash removal is a service offered by the Association to Owners, then the Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners.

[This section is similar to portions of Article IX, Section 9.08 of your existing Declaration.]

Section 9.15 Maintenance of Grade and Drainage. The grading upon each Lot shall be maintained by the Owner thereof at the slope and pitch fixed by the final grading thereof. No Owner shall interfere in any way with the established drainage pattern over the Lot from adjoining or other real property. For purposes of this Section, "established drainage" is defined as the drainage which exists at the time final grading on the Lot is completed by the builder of home on the Lot. Any Owner who changes the established drainage on his or her Lot may void warranties applicable to affected components of the home and shall be liable for all costs and expenses of repairing such changes, or any costs, liabilities, damages or causes of action arising out of such changes. Each Owner shall hold harmless the Declarant, the Association, the Board of Directors and the Design Review Board for any and all damage to any party caused by any change to the established drainage on the Owner's Lot.

[This section has been added.]

Section 9.16 Rules and Regulations. In furtherance of the provisions of this Declaration, Rules and Regulations concerning and governing the Property or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

ARTICLE 10. DISPUTE RESOLUTION PROCEDURES

Section 10.1 Definitions Applicable to this Article 10. For purposes of this Article 10 only, the following terms have the meanings set forth in this Section 10.1:

(a) **“JAG”** means the Judicial Arbiter Group or any other Person agreed to by the Claimant and the Respondent in writing for the purpose of performing the functions of the Judicial Arbiter Group under this Declaration with a minimum of ten (10) years’ experience in the subject matter of the dispute. In the event that the Judicial Arbiter Group becomes unwilling or unable to perform its functions under this Declaration, JAG shall refer to any organization in the Denver Metropolitan Area designated by the Association that specializes in the provision of impartial mediation and arbitration services and that has a minimum of ten (10) years’ experience in the provision of such services.

(b) **“Bound Party”** means each of the Persons subject to this Declaration and any Person not otherwise subject to this Declaration who agrees to submit to this Article 10. Notwithstanding the foregoing, “Bound Party” does not include any of the parties identified in this subsection 10.1(b) if such parties have jointly entered into a separate written agreement providing for dispute resolution applicable to the Claim. In such circumstance, the dispute resolution mechanism set forth in such separate written agreement between such parties shall apply with respect to such Claim unless the parties mutually agree to submit such Claim to the provisions of this Article 10.

(c) **“Claimant”** means any Bound Party having a Claim.

(d) **“Claim”** means, except as exempted by the terms of this Article 10, any claim, grievance or dispute between one Bound Party and another Bound Party, regardless of how the same may have arisen or on what it might be based, including those arising out of or related to the interpretation, application or enforcement of any of the Governing Documents or the rights, obligations and duties of any Bound Party under any of the Governing Documents; or (ii) any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party.

(e) **“Notice”** means the written notification given by a Claimant to a Respondent and which shall comply with the requirements of subsection 10.5(b) of this Declaration.

(f) **“Party”** means the Claimant and the Respondent individually;

“**Parties**” means the Claimant and the Respondent collectively.

(g) “**Respondent**” means any Bound Party against whom a Claimant asserts a Claim.

(h) “**Termination of Negotiations**” means a period of time expiring thirty (30) days after the date of the Notice (or such other period of time as may be agreed upon by the Parties) and upon the expiration of which the Parties have not resolved a Claim.

Section 10.2 Intent of Article; Applicability of Article; and Applicability of Statutes of Limitation.

(a) Each Bound Party agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit any Claims to the procedures set forth in Section 10.5 of this Declaration.

(b) By acceptance of a deed to a Lot, each Owner agrees to abide by the terms of this Article 10.

(c) Any applicable statute of limitation shall apply to the alternative dispute resolution procedures set forth in this Article 10.

Section 10.3 Commencement or Pursuit of Claim Against Bound Party.

(a) A Bound Party may not commence or pursue a Claim against any other Bound Party except in compliance with this Article 10.

Section 10.4 Claims. Unless specifically exempted below, all Claims between any of the Bound Parties are subject to the provisions of this Article 10. Notwithstanding the foregoing, unless all Parties otherwise agree, the following are not Claims and shall not be subject to the provisions of this Article 10:

(a) Any action or suit by the Association regarding the imposition or collection of Assessments or other charges levied by the Association pursuant to this Declaration, including actions to foreclose Assessment liens;

(b) Counterclaims brought by the Association in proceedings instituted against it;

(c) Any suit between or among Owners, which does not also include the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

(d) Any suit in which any indispensable party is not a Bound Party.

Section 10.5 Mandatory Procedure.

(a) *Compliance with Policies and Procedures.* Before the Association may send a Notice as set forth below in relation to any Claim of the Association regarding the imposition or collection of Assessments or other charges levied by the Association pursuant to this Declaration or in relation to any Claim by the Association to enforce any provisions of the Governing Documents, the Association must first follow its policies and procedures and any requirements of applicable law related to the same that require certain notices or other actions of the Association prior to initiating legal action in relation to the same.

(b) *Notice.* Prior to proceeding with any Claim against a Respondent, each Claimant shall give a Notice to each Respondent, which Notice shall state plainly and concisely the items set forth below.

(i) The nature of the Claim, including all Persons involved and the Respondent's role in the Claim;

(ii) The legal basis of the Claim (i.e., the specific authority out of which the Claim arises); and

(iii) The proposed remedy.

(c) *Negotiation.*

(i) The Parties will make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, any Party may appoint a representative to assist the Parties in negotiation. Any settlement of the Claim through such negotiations shall be documented in writing and signed by the Parties.

(ii) Upon the Termination of Negotiations, the Claimant has thirty (30) days to submit the Claim to arbitration under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in subsection 10.5(b) of this Declaration.

(iii) If the Claimant does not submit the Claim to arbitration within such time, the Claimant waives the Claim, and the Respondent will be released and discharged from any and all liability to the Claimant on account of such Claim.

(iv) If the Parties agree to a resolution of any Claim through negotiation and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in

this Article 10. In such event, the Party taking action to enforce the agreement will recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including attorneys' fees and court costs.

(d) *Binding Arbitration.*

(i) Upon the Termination of Negotiations, if the Claimant desires to pursue the Claim, the Claimant may initiate final, binding arbitration of the Claim under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in Section 10.5(b) of this Declaration.

(ii) Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the Parties, one arbitrator who has expertise in the areas of the dispute, which may include legal expertise if legal issues are involved, will arbitrate the dispute.

(iii) Each Party shall initially bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration, subject to an award of costs and attorney fees as provided in Section 11.4 of this Declaration. If a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the arbitrator shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non-contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

Section 10.6 Award. The award of the arbitrator must be accompanied by detailed written findings of fact and conclusions of law. Except as required by applicable law or for confirmation of an award, neither Party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties.

[This Article has been added to require that all disputes between the Association and any Owner be resolved via arbitration rather than litigation through a court of law, except as otherwise provided.]

ARTICLE 11. MISCELLANEOUS AND GENERAL PROVISIONS

Section 11.1 Compliance and Enforcement.

(a) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

(i) Imposing reasonable monetary fines, after notice and opportunity for a hearing, which fines shall constitute a lien upon the violator's Lot;

(ii) Suspending an Owner's voting rights during any period in which the Owner shall be in default in the payment of any Assessment, including interest, fines, late fees, attorney fees and costs, levied by the Association;

(iii) Suspending an Owner's voting rights for a period not to exceed sixty (60) days or during any period of violation, whichever is greater, for the violation of any other provision of the Governing Documents other than the non-payment of Assessments;

(iv) Exercising self-help or taking action to abate any violation of the Governing Documents;

(v) Requiring an Owner, at the Owner's expense, to remove any structure or Improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the Lot, remove the violation and restore the Lot to substantially the same condition as previously existed and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Individual Purpose Assessment under the terms of this Declaration; and

(vi) Without liability to any person, precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Property.

(b) In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation or perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner as an Individual Purpose Assessment. The Association shall provide the Owner reasonable notice and an opportunity to cure the problem prior to taking such enforcement action.

(c) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any arbitration action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and arbitration costs, reasonably incurred in such action.

(d) The decision of the Association to pursue enforcement action in any particular case shall be left to the discretion of the Board of Directors, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board of Directors shall not be arbitrary or capricious in taking enforcement action.

[This section is similar to Article XV, Section 15.01 of your existing Declaration.]

Section 11.2 Covenants to Run. The covenants and restrictions contained in this Declaration shall run with and bind the Property in perpetuity. All of the covenants, easements, servitudes and provisions contained in this Declaration shall be a burden on the title to all of the lands within the Property, and the benefits thereof shall inure to the owners of all of the lands within the Property.

[This section has been added.]

Section 11.3 Termination. Termination of the Property shall be in accordance with CCIOA.

[This section simplifies Article XVI, Section 16.02 of your existing Declaration to simply refer to the termination provisions of CCIOA.]

Section 11.4 Attorney Fees. If an Owner fails to pay any Assessment or any other amount due to the Association as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs, without the necessity of commencing arbitration. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing an arbitration proceeding. In an arbitration proceeding in any way related to the Governing Documents or the Property, the arbitrator shall award to the party prevailing on each claim the prevailing party's reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner, shall be charged as an Individual Purpose Assessment and shall constitute a lien against the Lot.

[This section is similar to Article XV, Section 15.02 of your existing Declaration.]

Section 11.5 Amendment of Declaration by Owners. Except as otherwise provided in this Declaration and except for amendments that may be approved by the Declarant or the Association under the provisions of this Declaration or CCIOA, any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Owners holding at least sixty-seven percent (67%) of the votes in the Association. Said approval may be obtained in any method allowed by the Governing Documents, CCIOA or other applicable law. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Jefferson County, Colorado, of a certificate, setting forth the amendment in full and certifying that the amendment has been approved as set forth above. All challenges to the validity of any amendment or repeal must be made within one (1) year after the date of recording of such amendment or repeal.

[This section is similar to Article XVI, Section 16.03 of your existing Declaration.]

Section 11.6 Cooperation with Other Associations or Districts. The Association shall have the right and authority at any time, from time to time, to enter into agreements and otherwise cooperate with other community association(s) and/or any special or metropolitan district(s) to share facilities, to share the costs and/or responsibility for any operation, maintenance, repair, replacement or other matters, to perform maintenance, repair or replacement for any Person(s) in consideration of payment or reimbursement therefor, to utilize the same contractors, subcontractors, managers or others who may perform services for the Association, any other community association(s) and/or any special or metropolitan district(s), or to otherwise cooperate with any other community association(s) and/or any special or metropolitan district(s) in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the Board of Directors in its discretion from time to time. The costs and expenses for all such matters, if any, shall be shared or apportioned between the Association and/or any other community association(s) and/or any special or metropolitan district(s) as the Board of Directors may determine in its discretion from time to time. Additionally, the Association shall have the right and authority at any time, from time to time, to enter into agreements and otherwise cooperate with any other community association(s) and/or any special or metropolitan district(s) to collect assessments, other charges or other amounts which may be due to such entity and to permit any such entity to collect assessments, other charges or other amounts which may be due to the Association. In any such instance, the Association shall provide for remittance to such entity of any amounts collected by the Association or to the Association of any amounts collected by such entity.

If an Owner fails to notify the Association of a registered address, then any notice or demand may be delivered or sent, as aforesaid, to such Owner at the address of such Owner's Lot.

[This section is similar to Article XVII, Section 17.07 of your existing Declaration.]
